## Comprehension: The lazy caterpillar

Read the following story….

There was once a caterpillar that lived in a vegetable garden. He was a very lazy caterpillar. The caterpillar loved to eat and sleep all day long. He would lie amongst the lettuce leaves enjoying the lovely sunshine.

One day the caterpillar decided that he had eaten enough lettuce leaves. He wanted to move to the mulberry tree nearby. The caterpillar loved to eat mulberry leaves. They were his favourite treat.

He stretched his legs and tried to move. But he could not budge! The caterpillar had eaten too many lettuce leaves! He was now as fat as a pig!
"Oh dear," sighed the caterpillar, "I guess I will have to stay right here!" And he rolled over and fell fast asleep.

1. Where did the caterpillar live? _____
