# Time

Passing of digital and analogue time

**Read each of the riddles given below and answer the questions which follow.**

Mother's car went to be serviced. It is 08:45 when mother received a phone call to say her car will be ready at 16:00 this afternoon.

1) Write 08:45 out in words:_____

2) How long does mom have to wait from 08:45 until 16:00? _____
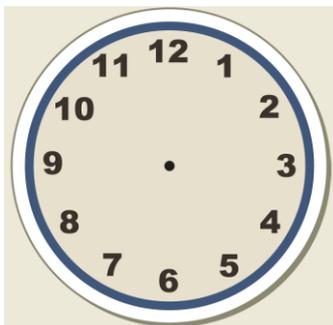

3) Draw 08:45 and 16:00 on the clocks provided:
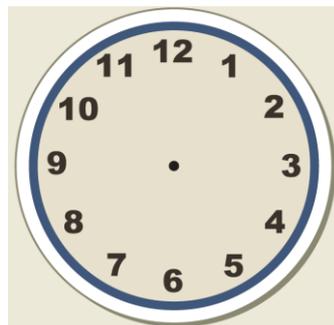

08:45   04:00

Draw the following time on the clocks provided.
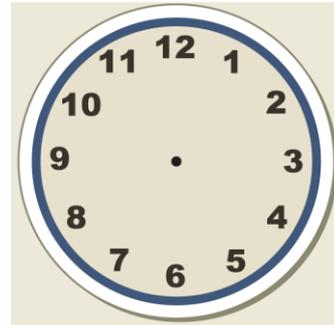

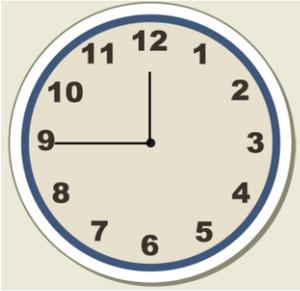

05: 50   07:15   11:45

Look at the following clocks and write the time as 12-hour digital time.
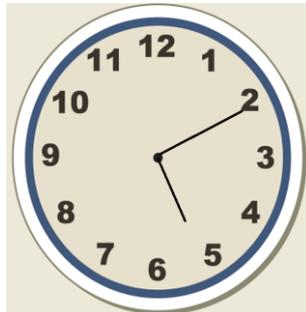

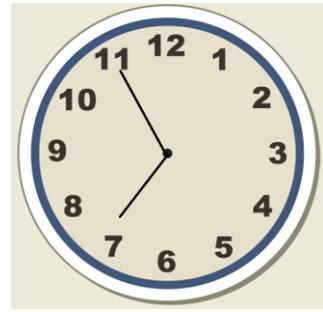

_____   _____   _____

Look at the following clocks and write the time as 12-hour digital time.
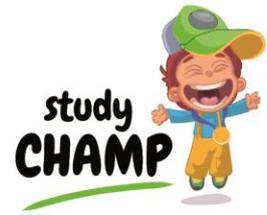

_____   _____   _____

Write the following 12-hour time into words:
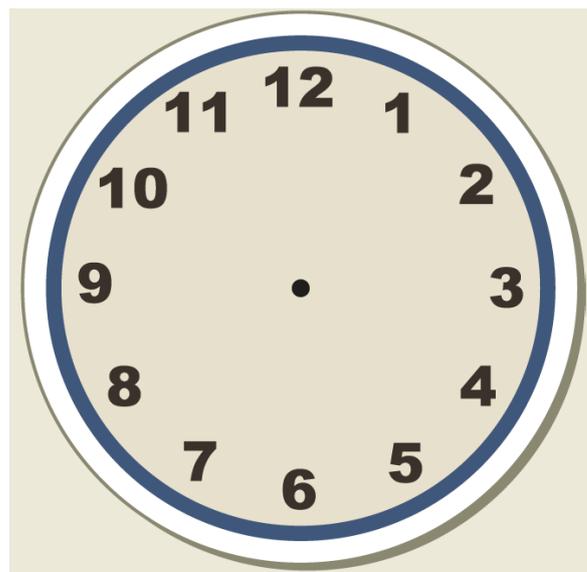

05:30 - _____

08:40 - _____

09:15 - _____

11:50 – _____

Complete the table by filling in the times asked for in the open spaces. Look at the example to guide you.

The time 1 hour and 30 mins ago	The time now	The time in 45 minutes
09:00	10:30	11:15
08:45		
		06:40
	10:15	
07:50		
	08:00	
06:00		
	11:15	

Use the space below to draw clock hands to help you work out the answers above.
