

# Daily Maths Practice

## *Grade 3*

### Workbook 3

(Weekly counting, number recognition,  
number value and bonds)

## Weekly Counting Practice

Practice counting by saying the numbers to a friend.

Count in 20's from number 610 to number 690.

610				
-----	--	--	--	--

Count in 25's from number 800 to number 900.

800				
-----	--	--	--	--

Count in 50's from number 750 to number 950.

750				
-----	--	--	--	--

### Challenging practice

Count backwards in 50's from number 1000 to number 800.

1000				
------	--	--	--	--

Tip for mom: Challenge your child to write the number names separately.

## Number recognition and formation

How many objects are there in each picture when you count in 25's?

There are  cats.

This means that 1 cat,  
1 ball, 1 star and 1 girl  
is worth 25!

I can see  balls.

There are  stars.

There are  girls.

## Number value

Say the names of the following numbers.  
Can you write them down?

	511	618	719	
121		227	303	164

Look for the answers in the green block.

The biggest number is number \_\_\_\_\_

The smallest number is number \_\_\_\_\_

What number comes before number 303? \_\_\_\_\_

What number comes after number 121? \_\_\_\_\_

Write the following numbers from biggest to smallest.

121, 511, 303, 719, 618, 227

Write the following numbers from smallest to biggest.

164, 121, 719, 511, 618, 227

# Bonds

Complete the following bonds.

Put your thinking cap on!

20	
11	
13	
14	
12	
5	
2	

15	
3	
14	
11	
6	
10	
8	

19	12	5	14	3	6	2	11

### Challenging practice

$11 + \underline{\hspace{2cm}} = 20$	$3 + \underline{\hspace{2cm}} = 15$	$12 + \underline{\hspace{2cm}} = 19$
$20 - \underline{\hspace{2cm}} = 7$	$15 - \underline{\hspace{2cm}} = 1$	$19 - \underline{\hspace{2cm}} = 5$

### Day 1: Memo

Count in 20's from number 610 to number 690.

610, 630, 650, 670, 690.

Count in 25's from number 800 to number 900.

800, 825, 850, 875, 900.

Count in 50's from number 750 to number 950.

750, 800, 850, 900, 950.

#### Challenging practice

Count backwards in 50's from number 1000 to number 800.

1000, 950, 900, 850, 800.

### Day 2: Memo

How many objects are there in each picture when you count in 25's?

There are 175 cats.

I can see 225 balls.

There are 125 stars.

There are 150 girls.

### Day 3: Memo

The biggest number is number 719

The smallest number is number 121

What number comes before number 303? 302

What number comes after number 121? 122

Write the following numbers from biggest to smallest.

121, 511, 303, 719, 618, 227

719, 618, 511, 303, 227, 121

Write the following numbers from smallest to biggest.

164, 121, 719, 511, 618, 227

121, 164, 227, 511, 618, 719

Day 4: Memo

20	
11	9
13	7
14	6
12	8
5	15
2	18

15	
3	12
14	1
11	4
6	9
10	5
8	7

19	12	5	14	3	6	2	11
	7	14	5	16	13	17	8

$11 + 9 = 20$	$3 + 12 = 15$	$12 + 7 = 19$
$20 - 13 = 7$	$15 - 14 = 1$	$19 - 14 = 5$
